CONSENT TO ENTER PROPERTY

Property: _____

The undersigned consents to entry to the above-described property ("Property") by the United States Environmental Protection Agency ("EPA") and the State and their employees, agents, contractors, and authorized representatives (collectively "Responders") for purposes of providing the Property with a temporary source of clean water for household use (drinking, bathing, etc.). Activities included in this effort may include, among other things:

- Periodically bringing bottled water to the Property
- Placing an outdoor above-ground temporary water storage tank (WST) on the Property if deemed appropriate by EPA
- Connecting the WST to the residential water system on the Property
- Periodically filling the water storage tank
- Disconnecting the WST from the residential water system when EPA determines the WST is no longer necessary
- Removing the WST from the Property

The consent to enter the Property provided hereunder shall remain in effect until EPA determines that a temporary source of clean water is no longer needed. The undersigned understands that he/she may revoke this consent at any time.

The undersigned represents that he/she is authorized to consent to entry to the Property to permit the Responders to perform the above-described activities.
